Concerns and Complaints Policy

RATIONALE:

All complaints, concerns and incidents are attended to promptly, respectfully and professionally and seek to bring effective resolution to all parties concerned. In order to maintain a safe and comfortable environment for all students, staff and visitors, an accessible procedure for handling complaints and grievances will be implemented and maintained to provide an open and fair way of resolving issues and will comply with all relevant legislation.

DELEGATIONS:

The board delegates to the principal the responsibility of ensuring procedures are in place and operating effectively and adequately on a day to day basis regarding concerns and complaints they receive. In the event of a complaint or grievance addressed to the board or concerning the principal, responsibility lies with the board.

GUIDELINES:

In complying with the policy, the principal shall not fail to:

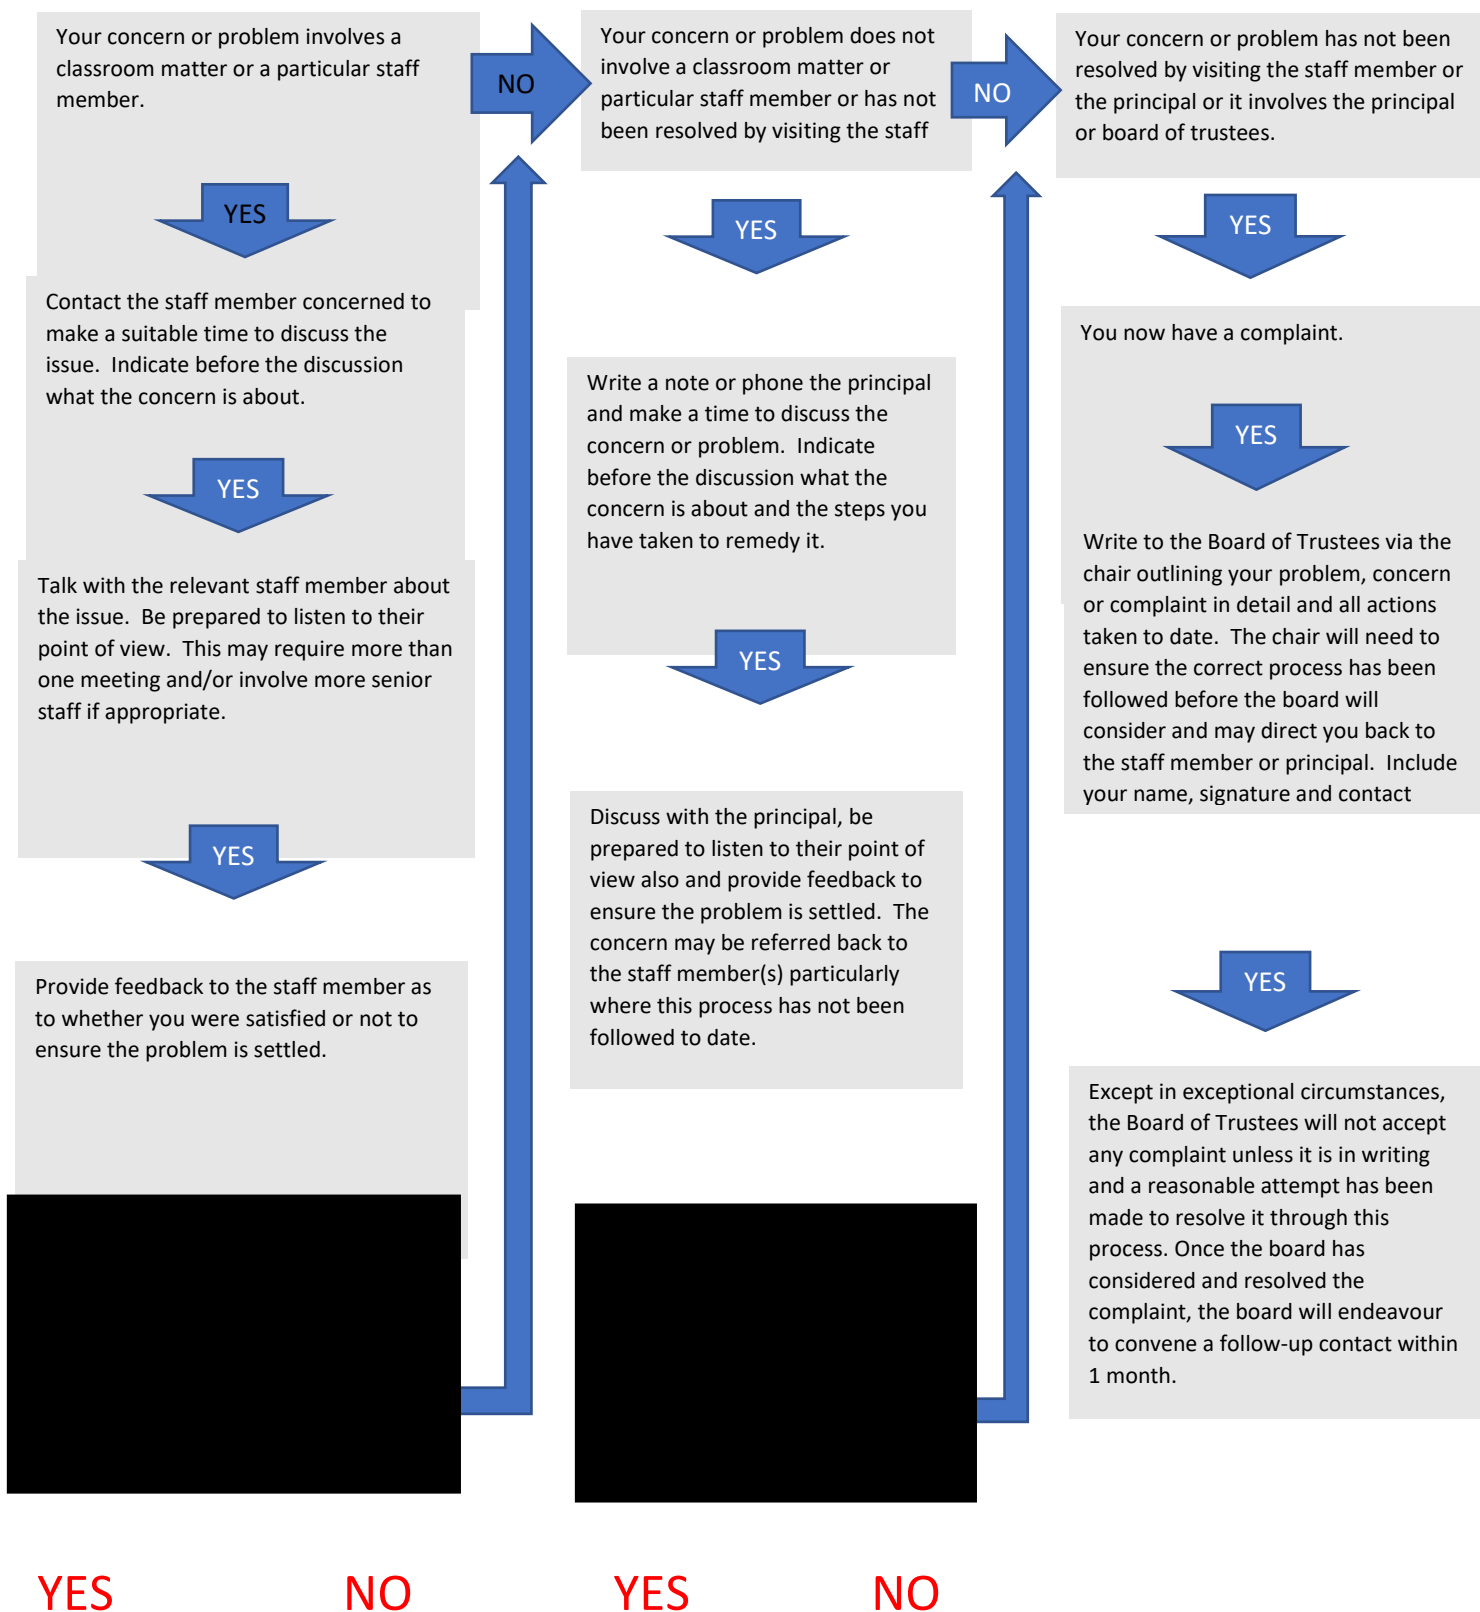

- implement and maintain robust procedures to meet the policy requirements as seen in the attached flow chart. Review procedures annually.
- ensure that the process for complaints or grievances is clearly communicated to staff and the community.

The Board of Trustees has a dedicated email address for correspondence, and this will be monitored by the board chair. They will ensure that:

- The complainant has previously followed the school's concerns and complaints procedure and that the complaint has been escalated to board level correctly.
- An appropriate process is initiated to respond to the complainant regarding receipt of the correspondence and any investigation of the complaint based on the context.
- All correspondence of this nature is to be tabled in board correspondence either in the public section or in the public excluded section depending on the privacy context. Delegations will be sought to carry out any actions by the board.
- Should the board receive a complaint regarding the principal or determine that any policy violation may have occurred, the board in the first instance will consider whether this may be dealt with in an informal manner (as per the employment agreement provisions that apply to the principal). Delegations to carry out any further actions will be sought from the board.
- Where the board considers the degree and seriousness of the concern or any violation sufficient to warrant initiating a disciplinary or competency process, the board shall seek the support and advice in the first instance from an NZSTA adviser to ensure due process is followed.
- Complaints relating to employment matters will be conducted in accordance with the relevant employment contract provisions.
- Refer to the attached board complaints checklist to ensure due process is followed.
