Curriculum Policy

RATIONALE:

To ensure the development and delivery of a quality curriculum that conforms to the requirements of the NZ Curriculum supported by effective teaching.

GUIDELINES:

1. A school wide curriculum plan will be maintained and developed through a process of consultation with all stakeholders.
2. The development of the curriculum will be consistent with the NZ Curriculum, NAGs and the Charter and will be maintained through regular review with a view to incorporate the NELPS.
3. The curriculum offered will be collaboratively developed and approved by the Principal and Senior Management Team. Any developments will be regularly reported to the Board of Trustees.
4. Ongoing teacher professional development will be provided to ensure successful curriculum delivery.
5. An up-to-date Staff Assessment Manual will be reviewed annually, and relevant staff will be expected to follow the guidelines as stated in this manual.
6. Student assessment information will be shared with parents in a timely fashion.
7. Procedures will be in place to identify students with special needs and provide them with the appropriate internal and external support they require (This includes students requiring extension).
8. Ongoing career guidance and education will be provided for all students NAG1 vi).
9. To foster independent study habits, organisational skills and to reinforce classroom learning, homework is regarded as an important part of the curriculum.
10. The Board recognises the importance of parental support.
