Dear Parents and Caregivers

RE: PPTA Paid Union Meeting – Wednesday 6 November 2024

As part of the PPTA Secondary Teachers' Collective Agreement (for teachers throughout New Zealand), teachers are entitled to attend paid union meetings during school hours.

The Katikati College School Board has been informed that there is a meeting in the afternoon of **Wednesday 6 November** that PPTA members are required to attend.

On that day lessons will end at **1pm** to enable staff to attend their meeting. Periods 1 - 4 will run as normal for 55 mins each.

There will be supervision available for students who have to remain at school until the buses run at their normal time. If your child requires supervision, they must report to the Library at 1pm and remain on school site. Students not remaining on school site are expected to have gone home, or to a friend's place, where there is supervision. Students should not be roaming around the Katikati community.

Thank you for your cooperation in these matters.

Yours sincerely

Louise Buckley
