

## Katikati College: Level 1 Stationery Requirement for 2022

**Student name:** \_\_\_\_\_ **Form class:** \_\_\_\_\_

Below are the stationery requirements for 2021. Some of your child's stationery has to be purchased from the school, however most can be purchased from stationery outlets, for example Paper Plus and The Warehouse.

It is really important that your child has the correct stationery to start the year. If there are any concerns with this please contact your child's Dean (details can be found on the other side of this sheet).

All students in Year 9 - 13 are expected to bring a device to school with them to use as a learning tool.

**Features that we feel are essential are:**

- Minimum screen size of 9"
- Wireless internet capability
- Battery life which will last a typical school day (at least 6 hours)

**Others features to consider:**

- Lightweight but robust enough to handle daily use
- Suitable, durable bag / cover for protection
- Suitable for use online and offline
- Security software

**For all types of devices we recommend that:**

- They be less than 4 years old
- They have AntiVirus software if appropriate
- Students make regular back-ups of critical work on external storage (eg. external hard drive or USB drive)

**Stationery to be purchased (not from the College):**
